## Détails du Livre

Each title in this popular series is both a cookbook and a photographic essay of people and places. The series encapsulates the flavours of the world's most exciting and popular cuisines and explores the colourful settings in which food is sourced, cooked and enjoyed. Each book contains a selection of authentic recipes suitable for the home cook. This title features fresh new covers that will appeal to a new generation of cooks ready to discover the diverse cuisines around the world. All of the...
